Dear Chair DeFazio and Ranking Member Graves:

I am requesting \$4,780,000 in funding for *Long Beach Road Improvements* in surface transportation reauthorization legislation.

The project sponsor for this project is Nassau County Department of Public Works and the project is located along Long Beach Road, from Dietz Street to Demott Avenue in South Hempstead, New York 11550 and Rockville Centre, New York 11570.

The funding is designated for resurfacing Long Beach Road, extending its service life, and creating new Americans with Disabilities Act compliant ramps and crosswalks. The project also includes a study of the drainage system and other pedestrian and traffic safety measures.

The project is an appropriate use of taxpayer dollars and is anticipated to have the following benefits of improving safety and accessibility for pedestrians and automobiles.

I certify that neither I nor my immediate family has any financial interest in this project.

Sincerely,

Kathleen M. Rice
Member of Congress (NY-04)
